

Dear Fruit Tree Owner,

Hello! **Not far from the tree** is Toronto's very own fruit tree project, starting right here in Ward 21. We're delighted that you would like to share your fruit with us this year. When your fruit is ready to pick, we'll send a team of gleaners to harvest your fruit and divide up the yield to share with volunteers and community organizations. The benefits for you include:

- We harvest as much of the fruit as we can (within safety limits);
- We leave the ground beneath clean;
- You can keep up to 1/3 of the fruit, if you wish;
- You help minimize food waste in our community and supply fresh fruit to those in need.
